

# Recreation Report . . . Playground Program, Tennis & Golf

## SPECIAL EVENT

On Tuesday, July 10, from 10 a.m. - 3 p.m., there will be an outdoor carnival at the Osgood School. The regular Playground Program will not meet that day. All resident children and adults are invited to the carnival that consists of game booths, moon-walk, and a host of other special activities. Prizes are awarded to all participants.

Tickets for the games and activities may be purchased at the site and cost 10 cents apiece and each child would probably need \$2 or \$3 to participate in all games.

Parents will be responsible for children as the playground staff will be busy operating

the booths. Younger children should be accompanied by an adult or older, responsible sibling.

The Playground Program will resume, as usual, the next day, Wednesday, July 11.

## MUSIC CIRCUS TICKETS

Tickets for the Thursday morning, July 26 performance of "Connecticut Yankee" must be purchased on Wednesday morning, July 11, at the Recreation Department Office. The cost for this show is \$2.05 per child. Please come before noon.

## ADULT TENNIS LESSONS

The Cohasset Recreation Department is now registering classes for Beginner, Intermediate, and Advanced Ten-

nis Lessons. The program, taught by NELTA professional Mark McGuire, will be held at the following times on Monday evenings, beginning Monday, July 23; beginners, 6-7 p.m.; Intermediates, 7-8 p.m., and Advanced, 8-9 p.m.

To register for lessons call the Recreation Dept. Office, at 383-6791, before Friday, July 20. The fee for the six-week (one-hour per week) program is \$10 per person. Classes will be filled on a first-call-first enrolled basis. Non-residents will be accepted on a space available basis only after Friday noon, July 20, for an extra \$1 fee charge.

## GOLF LESSONS

Registrations for Golf lessons age 12 through adult will be accepted by calling the Recreation Department office

at 383-6791, before Friday, July 20. Classes will be offered for Beginners, Intermediates, and Advanced players and will be taught by Rich Thibeault, assistant Pro, Cohasset Golf Club.

The fee is \$10 per person for the six one-hour classes held at the Town Hall. Classes will begin Monday, July 23, at the following times: beginners, 6:30-7:30 p.m.; intermediates, 7:30-8:30 p.m., advanced, 8:30-9:30 p.m. Non-residents will be accepted as space dictates after Friday noon, July 20, for an extra \$1 fee charge.

Participants should have their own clubs (not a full set); however, arrangements at no charge may be made for those individuals who do not have clubs.

Both the four and five and 6-12 year old Playground Programs will participate in a Balloon Flying Contest at Miliken Field, Friday, July 6, with a rain date for Monday, July 9. Balloons and helium will be provided by the Recreation Department. Children should bring in a stamped, addressed post card to their assigned staff member, during the first two weeks of the program.

On Friday, parents should bring their children to the Miliken Football Field (head of Norfolk Road) rather than to the Osgood School. Four and five-year-olds should be picked up at the usual time (12 noon) at Miliken Field; 6-12 year old program will be walked back to the Osgood School, and continue with regular activities until 3 p.m.

## Scholarships Awarded

The winners of the MacIvor Reddie Scholarship awards given by the South Shore Art Center for 1979 are Lisa Drescher and Joseph Bernasconi. Examples of their work will be on display during the Art Festival taking place in Cohasset from July 1 through July 8th.

The MacIvor Reddie Scholarships are given to graduating High School Students who have been accepted in accredited Colleges to pursue study in Art; it is in honor of the nationally known watercolorist who was also a founder of the South Shore Art Center.

Lisa Drescher is a resident of Hingham and a graduate of the Cambridge School of Weston. She plans to continue her study of printmaking at the State University of New York

College at Purchase School of Visual Arts.

Joseph Bernasconi is a resident of Wollaston and graduated from North Quincy High School. He plans to continue his study of drawing and painting at the Museum School of Fine Arts in Boston.

The Scholarship Program is only one of the educational programs available to the community through the South Shore Art Center. On a year-round basis the Center offers a full schedule of classes in the arts for children and adults, gallery exhibits, lectures, films and social events. It is a member of the Metropolitan Cultural Alliance and is affiliated with the Massachusetts College of Art Continuing Education Program.
